

The Problem

"Aprons take too long to put on"

"I don't wear aprons
...I hate tying knots"

What a hassle in a busy kitchen!

Aprons

A fun self-supporting apron
you actually WANT to wear!

HaloAprons hug you to stay on without ties or knots.
You can put it on super quick with only one hand!
The spring waistband conforms to any size,
removes easily, and will last a lifetime.
And the apron is machine washable!
