

# Are you a fan of the 4-Hour Workweek?

Learn more in 6 months about starting a business  
...than in 4 years at college.

Okay, I can't guarantee that, but you WILL learn a lot about starting a business.

**Local entrepreneur** with innovative product designs and high aspirations seeks **fellow entrepreneurial mind** to help monetize new products.

Develop and manage product branding  
Create and execute marketing campaigns

Produce and promote websites

Make money and build experience

Requirements:

Simply have your own computer with internet access. Bring enthusiasm, ingenuity, creativity, and take initiative. Must be able to accomplish goals without direct instruction. Remuneration can include hourly wage, contractual payment, sales commission, or even partnership/co-founder status. Familiarity with the book '*4-Hour Workweek*' would be helpful.
